

Walnut Township, Pickaway County

16017 Winchester Rd., Ashville, Ohio 43103
740-983-6536 vlswalnuttp@gmail.com

DRIVEWAY CULVERT PERMIT \$75.00

A request for a driveway culvert has been received from:

Property Owner _____
Property Address _____
City, State _____

The Township is recommending 40 Ft. of _____ inch double wall plastic pipe.

Any other culvert pipe may be approved by the Township Trustees and described as; _____

**** The property owner will be responsible for the installation of the culvert so that the culvert will be on grade with neighboring culverts and will not restrict the natural flow of the road ditch. If said culvert is not properly installed, the Township has the right to correct the culvert installation at the property owner's expense. Any finished driveway (concrete, blacktop, etc.) will be repaired by the property owner.

Property Owner _____ Date _____

Township Trustee _____
